Ms. Chalk of A.A.A.S. called on me with brother of disappeared Argentine physicist, Federico Alvarez Rojas today. He is one of 11 such scientists in Argentina on whom A.A.A.S. is seeking information. Five of these Mr. Kates is also interested in.

I asked Ms. Chalk to send by hand to me a note to you signed by the President of A.A.A.S. enclosing info on all eleven by noon tomorrow but without telling her why I want it. She will try to do so.
